

## Mercury Systems Receives Premier Supplier Excellence Program Award from Raytheon

June 26, 2018

### Company recognized for outstanding supplier performance

BOSTON, June 26, 2018 (GLOBE NEWSWIRE) -- Mercury Systems, Inc. (NASDAQ:MRCY) ([www.mrcy.com](http://www.mrcy.com)) announced it received the 2018 Premier Supplier Excellence Award from Raytheon. This prestigious award recognizes the Company for demonstrating premier achievement in the area of partnership and for its operational excellence delivering advanced microelectronic solutions in support of Raytheon's business needs. The award was presented by Raytheon executives to Mercury in a ceremony at the Boston Marriott Long Wharf yesterday.

Premier awards are awarded to suppliers who demonstrate premier achievement for Raytheon in the area of affordability, technical, business management or partnership. Only the highest achieving suppliers are awarded this honor.

"We are sincerely honored to receive this prestigious award from Raytheon in recognition of Mercury's unwavering commitment to excellence across all dimensions of our business," said Didier Thibaud, Mercury's Executive Vice President and Chief Operating Officer. "Defense prime contractors can count on Mercury's next-generation business model to continue supplying affordable secure and safety-critical processing subsystem solutions providing our military forces with a strategic and tactical advantage."

### Forward-Looking Safe Harbor Statement

This press release contains certain forward-looking statements, as that term is defined in the Private Securities Litigation Reform Act of 1995, including those relating to fiscal 2018 business performance and beyond and the Company's plans for growth and improvement in profitability and cash flow. You can identify these statements by the use of the words "may," "will," "could," "should," "would," "plans," "expects," "anticipates," "continue," "estimate," "project," "intend," "likely," "forecast," "probable," "potential," and similar expressions. These forward-looking statements involve risks and uncertainties that could cause actual results to differ materially from those projected or anticipated. Such risks and uncertainties include, but are not limited to, continued funding of defense programs, the timing and amounts of such funding, general economic and business conditions, including unforeseen weakness in the Company's markets, effects of any U.S. Federal government shutdown or extended continuing resolution, effects of continued geopolitical unrest and regional conflicts, competition, changes in technology and methods of marketing, delays in completing engineering and manufacturing programs, changes in customer order patterns, changes in product mix, continued success in technological advances and delivering technological innovations, changes in, or in the U.S. Government's interpretation of, federal export control or procurement rules and regulations, market acceptance of the Company's products, shortages in components, production delays due to performance quality issues with outsourced components, inability to fully realize the expected benefits from acquisitions and restructurings, or delays in realizing such benefits, challenges in integrating acquired businesses and achieving anticipated synergies, changes to cyber-security regulations and requirements, changes in tax rates or tax regulations, changes to generally accepted accounting principles, difficulties in retaining key employees and customers, unanticipated costs under fixed-price service and system integration engagements, and various other factors beyond our control. These risks and uncertainties also include such additional risk factors as are discussed in the Company's filings with the U.S. Securities and Exchange Commission, including its Annual Report on Form 10-K for the fiscal year ended June 30, 2017. The Company cautions readers not to place undue reliance upon any such forward-looking statements, which speak only as of the date made. The Company undertakes no obligation to update any forward-looking statement to reflect events or circumstances after the date on which such statement is made.
