

## Mercury Systems named to Fortune Magazine's list of 100 Fastest-Growing Companies for second straight year

November 17, 2021

### Achieves #91 ranking, only aerospace and defense company named to list

ANDOVER, Mass., Nov. 17, 2021 (GLOBE NEWSWIRE) -- Mercury Systems, Inc., (NASDAQ: MRCY, [www.mrcy.com](http://www.mrcy.com)), a leader in trusted, secure mission-critical technologies for aerospace and defense, today announced that it has been named to Fortune magazine's 2021 List of 100 Fastest-Growing Companies for the second consecutive year. The annual Fortune list ranks public companies with market capitalization of \$250 million or more, based on revenue growth rate, EPS growth rate and three-year annualized total return. Mercury was only aerospace and defense company included.

"We're honored to be named one of Fortune's 100 Fastest-Growing Companies for the second straight year," said Mark Aslett, Mercury's president and chief executive officer. "We are tremendously proud of how our team has executed against our strategy to increase profitable top-line growth, a priority for Mercury. We continue to see many opportunities to accelerate growth and scale in the years ahead and achieve our vision of making the world a safer, more secure place."

Other companies on the list include Alphabet, Amazon and Netflix. More information on the list is available in the October 2021 issue of Fortune and on its [website](#).

Mercury envisions, creates and delivers innovative technology solutions purpose-built to meet its customers' most pressing high-tech needs. For more information, visit [mrcy.com](http://mrcy.com) or contact Mercury at (866) 627-6951 or [info@mrcy.com](mailto:info@mrcy.com).

### Forward-Looking Safe Harbor Statement

This press release contains certain forward-looking statements, as that term is defined in the Private Securities Litigation Reform Act of 1995, including those relating to the products and services described herein and to fiscal 2022 business performance and beyond and the Company's plans for growth and improvement in profitability and cash flow. You can identify these statements by the use of the words "may," "will," "could," "should," "would," "plans," "expects," "anticipates," "continue," "estimate," "project," "intend," "likely," "forecast," "probable," "potential," and similar expressions. These forward-looking statements involve risks and uncertainties that could cause actual results to differ materially from those projected or anticipated. Such risks and uncertainties include, but are not limited to, continued funding of defense programs, the timing and amounts of such funding, general economic and business conditions, including unforeseen weakness in the Company's markets, effects of epidemics and pandemics such as COVID, effects of any U.S. federal government shutdown or extended continuing resolution, effects of continued geopolitical unrest and regional conflicts, competition, changes in technology and methods of marketing, delays in completing engineering and manufacturing programs, changes in customer order patterns, changes in product mix, continued success in technological advances and delivering technological innovations, changes in, or in the U.S. Government's interpretation of, federal export control or procurement rules and regulations, changes in, or in the interpretation or enforcement of environmental rules and regulations, market acceptance of the Company's products, shortages in components, production delays or unanticipated expenses due to performance quality issues with outsourced components, inability to fully realize the expected benefits from acquisitions, restructurings and value creation initiatives such as 1MPACT, or delays in realizing such benefits, challenges in integrating acquired businesses and achieving anticipated synergies, increases in interest rates, changes to industrial security and cybersecurity regulations and requirements, changes in tax rates or tax regulations, changes to interest rate swaps or other cash flow hedging arrangements, changes to generally accepted accounting principles, difficulties in retaining key employees and customers, unanticipated costs under fixed-price service and system integration engagements, and various other factors beyond our control. These risks and uncertainties also include such additional risk factors as are discussed in the Company's filings with the U.S. Securities and Exchange Commission, including its Annual Report on Form 10-K for the fiscal year ended July 2, 2021. The Company cautions readers not to place undue reliance upon any such forward-looking statements, which speak only as of the date made. The Company undertakes no obligation to update any forward-looking statement to reflect events or circumstances after the date on which such statement is made.
