## **Mercury Systems to Host 14th Annual Investor Conference November 12, 2013**

**CHELMSFORD, Mass., October 21, 2013 (GLOBE NEWSWIRE)** -- Mercury Systems, Inc. (Nasdaq:MRCY) ([www.mrcy.com](http://www.mrcy.com)), a best-of-breed provider of commercially developed, open sensor and Big Data processing systems for critical commercial, defense and intelligence applications, announced that it will host its 14th annual investor conference Tuesday, November 12, 2013, at 9 a.m. EST, at the Millennium Broadway Hotel in New York City.

Members of Mercury's management team will present an overview of the Company's business, financial results and strategic vision. In addition, guest speaker Todd Harrison, a Senior Fellow for Defense Budget Studies at the Center for Strategic and Budgetary Assessments (CSBA), will share his insights on trends in the overall defense budget, modernization initiatives and the defense industrial base.

The event will be webcast live via the Company's website beginning at 9 a.m. EST. To listen to a real-time broadcast of the meeting, visit [www.mrcy.com/investor](http://www.mrcy.com/investor) under "Events and Presentations." A replay of the webcast will be archived on the same web page for one year.
