## **Mercury Computer Systems to Hold its Twelfth Annual Investor Conference on November 16, 2011**

CHELMSFORD, Mass., Nov 01, 2011 (BUSINESS WIRE) --

Mercury Computer Systems, Inc. (NASDAQ: MRCY), a trusted ISR subsystems provider, announced today that it will host its twelfth annual investor conference on Wednesday, November 16, 2011, at 9:00 am EST, at the NASDAQ MarketSite, New York City. Members of Mercury's management team will present an overview of the Company's business, including presentations on the Company's Advanced Computing Solutions and Mercury Federal Systems businesses.

In addition, guest speaker General James E. Cartwright (USMC Ret.), former Vice Chairman, Joint Chiefs of Staff, will share his insights on defense acquisition reform, the DoD budget, today's wars, and potential conflicts of the future.

The event will be webcast live via the Company's website beginning at 9:00 am EST. To listen to a real-time broadcast of the meeting, visit [www.mc.com/investor](http://www.mc.com/investor) under "Financial Events." A replay of the webcast will be archived for one month on the Company's website under "Financial Events."

### **Mercury Computer Systems, Inc. - Where Challenges Drive Innovation<sup>®</sup>**

Mercury Computer Systems ([www.mc.com](http://www.mc.com), NASDAQ: MRCY) is a best of breed provider of open, application-ready, multi-INT subsystems for the ISR market. With more than 30 years of experience in embedded computing, superior domain expertise in radar, EW, EO/IR, C4I, and sonar applications, and more than 300 successful program deployments including Aegis, Global Hawk, and Predator, Mercury's Services and Systems Integration team leads the industry in partnering with customers to design and integrate system-level solutions that minimize program risk, maximize application portability, and accelerate customers' time to market.

Mercury is based in Chelmsford, Massachusetts, and serves customers worldwide through a broad network of direct sales offices, subsidiaries, and distributors.

Challenges Drive Innovation is a registered trademark of Mercury Computer Systems, Inc. Other product and company names mentioned may be trademarks and/or registered trademarks of their respective holders.
