**FOR IMMEDIATE RELEASE****News Release****Mercury Systems Completes Acquisition of Physical Optics Corporation**

**ANDOVER, Mass. - Dec. 30, 2020** - Mercury Systems Inc. (NASDAQ: MRCY, [www.mrcy.com](http://www.mrcy.com)), a leader in trusted, secure mission-critical technologies for aerospace and defense, today announced the completion of its acquisition of Physical Optics Corporation (POC).

Pursuant to the terms of the definitive agreement applicable to the acquisition, Mercury acquired POC for a purchase price of \$310 million, subject to net working capital and net debt adjustments. The acquisition was funded through a combination of cash on hand and Mercury's existing revolving credit facility.

"We're pleased that this transaction was completed on schedule; the next step is executing a seamless integration," said Mark Aslett, Mercury's president and chief executive officer. "The acquisition is directly aligned with our strategy and will enable us to deliver more complete, pre-integrated avionics subsystems to our customers. We welcome the POC team to the Mercury family."

Operating at the intersection of high-tech and defense, Mercury Systems is the leader in making trusted, secure mission-critical technologies profoundly more accessible. Our work is inspired by our Purpose of delivering Innovation That Matters by and for People Who Matter, to make the world a safer, more secure place for all.
